RE: 2010 Bushnell Fall Festival

Dear Chief Gulbrandsen,

On behalf of the City of Bushnell and the 2010 Fall Festival Committee, I would like to thank both you and Brad for your department's assistance during this year's festival, by providing fire trucks during our fireworks display. Once again, thanks to your help and support, the festival was another great success!

We have truly appreciated all of the support and assistance offered us through the years by your department, as we worked together to make the Fall Festival as successful as possible.

Respectfully,
